TEMPORARY STRUCTURE LOCATION DIAGRAM

Prepare a detailed drawing of the area where you propose to place your temporary structure. Your drawing should encompass the shoreline and lake area in front of your property and the two adjacent lots. Be sure to include lot lines, docks and any existing temporary structures in front of all three lots. You must indicate the length of the shoreline between your lot lines (Lake Frontage) and the distance from shore to the proposed location for your structure. Indicate north with an arrow through the drawing.
